AUBERGE RESORTS COLLECTION

ONE PARADISE IN THREE HUNDRED AND THIRTY-THREE

Fiji's hundreds of islands are an aquatic constellation scattered in a bright blue sea. At Nanuku Auberge Resort, you are home on Viti Levu, the main island and the most accessible. You're on the Coral Coast in Pacific Harbour, Fiji's adventure capital. Best of all, you flew non-stop from major cities in Australia, New Zealand, Asia, and the west coast of North America.
